

# How to Watch *The Walking Dead* Season 10 Online for Free

by [Andrew Marshall](#)

*The Walking Dead* has been one of the top popular TV series since it was first released in 2010. If you are a fan of *The Walking Dead*, you will not agree with that more. It is an incredibly popular show to stream. You cannot miss it, which is especially true as the tips of how to stream it online for free are known.

## What is *The Walking Dead* About?

*The Walking Dead* is an American post-apocalyptic horror television series based on the comic book series of the same name by Robert Kirkman, Tony Moore, and Charlie Adlard. The series features a large ensemble cast as survivors of a zombie apocalypse, trying to stay alive under near-constant threat of attacks from zombies, colloquially known as “walkers”. However, with the fall of humanity, these survivors also face conflict from other living survivors who have formed groups and communities with their own sets of laws and morals, often leading to hostile conflict between the human communities.

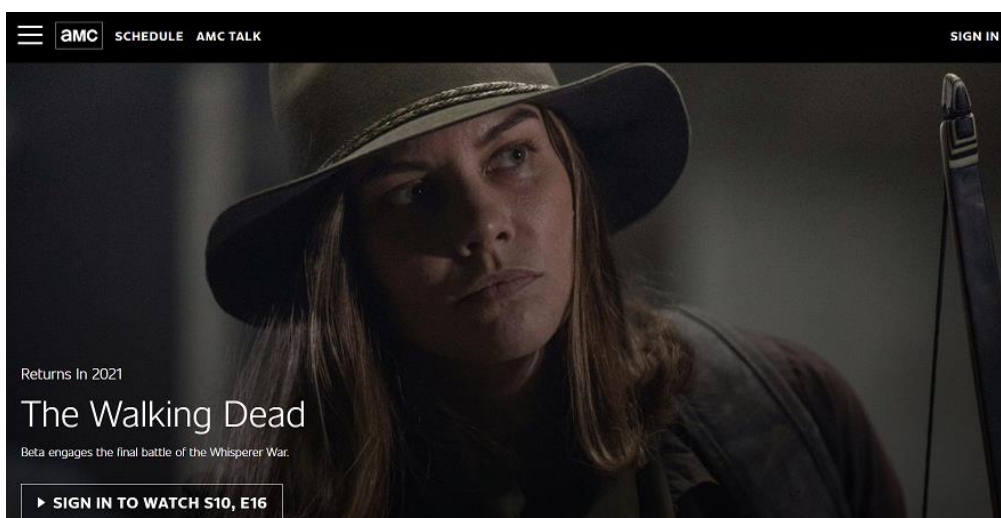

Apart from the TV series, two spinoffs are also generated based on the TWD story background, *Fear the Walking Dead*, and *The Walking Dead: World Beyond*, both of which are also popular series among TWD fans. *The Walking Dead* TV series covers 11 seasons altogether and is estimated to conclude in 2022.

## How to Stream *The Walking Dead* Online?

The series is exclusively broadcast on [AMC](#) in the United States and internationally through the Fox Networks Group. However, *The Walking Dead* is available on platforms other than AMC as long as business cooperation exists with AMC.
